

PRACTICE PLAN GUIDE

Fight Like A Girl® · Fall 2026 / Spring 2027

THE FIVE PARTS, IN ORDER, EVERY WEEK

PART	WHAT HAPPENS	60-MIN	PRIORITY
COACH MESSAGE	Introduce the day's topic and a short related activity. Sets the theme and names the pillar.	~12 min	PROTECT
INTENTIONS	Each girl sets a specific intention. The team holds each other to it.	~8 min	PROTECT
TRAINING	Review (warm-up), then a new skill, then mitt and glove work.	~28 min	PROTECT
BURNOUT	High-energy punch count that grows each week. Meant to burn.	~7 min	FLEX FIRST
SHOUT-OUTS	Personalised recognition, one girl at a time, ending in "snap clap." Benchmark gear is handed out here.	~5 min	IF TIME

THE PACING RULE

When time is short, protect Coach Message, Intentions, and Training. Burnout is the flex item. Shout-Outs close the session when time allows. Never skip the message, the intention-setting, or the training itself.

THE THREE PILLARS

PRACTICES 1-3	Growth Mindset. Embrace challenge, learn from mistakes, persist.
PRACTICES 4-6	Healthy Habits. Wellness, body, and tools to manage stress.
PRACTICES 7-9	Confidence. Belief as a mover, learner, and leader.
