

FAULT CARDS · SHEET 1 OF 2

Cut along the dashes and stack face down.
The thrower draws a card and throws with that fault on purpose. Do not show the card to the coach.

STANCE

Stand with your feet square and close together.

Fix: "Train tracks." Rear foot back and out.

STANCE

Let your hands drift down away from your face.

Fix: tap your own cheeks — "hands home."

STANCE

Stand straight up with your knees locked.

Fix: "Soft knees." Bounce gently to feel the bend.

JAB

Let your hand loop downward on the way back.

Fix: "Return home." Straight back to the chin.

JAB

Hold your breath through every punch.

Fix: hiss "tss" on every jab to force the exhale.

JAB

Wind up big before you throw.

Fix: "Straight line." No loading.

CROSS

Punch with your arm only — keep your hips still.

Fix: "Squish the bug." Pivot the back foot.

CROSS

Drop your lead hand every time the cross fires.

Fix: "Other hand guards."

FAULT CARDS · SHEET 2 OF 2

CROSS

Lean forward past your front foot as you punch.

Fix: "Stay stacked." Head over the hips.

1-2

Fire the cross before the jab has come back.

Fix: "Jab home, then cross."

1-2

Go flat-footed and stop moving mid-combo.

Fix: "Light feet." Stay in stance throughout.

SLIP / ROLL

Drop both hands to duck out of the way.

Fix: "Hands never leave home."

SLIP / ROLL

Make the slip enormous — throw your whole body sideways.

Fix: "Just an inch."

FOOTWORK

Cross your feet over each other as you move.

Fix: "Step and follow." Never crossing.

FOOTWORK

Watch your own feet and let your guard fall.

Fix: pause, reset the guard, add the feet back in.

COMBINATIONS

Throw as fast as you can and let the form fall apart.

Fix: "Clean before fast."
