

Site Visit Rubric

Ten categories, three points each, thirty points total. This is the same sheet a Box United visitor fills out. We visit every site a minimum of twice a school year.

SITE	COACH	DATE	VISIT 1 OR 2 · WEEK	
CATEGORY	EXCELLENT · 3	GOOD · 2	NEEDS WORK · 1	PTS
01 COACH PREPAREDNESS	Lesson plan ready, materials set out, arrives at least 15 minutes early, greets every girl by name.	Plan in hand but set-up is late or partial. Most girls greeted.	No visible plan. Materials missing or late. Coach unprepared.	
02 SESSION STRUCTURE	Clear warm-up, instruction, practice, cool-down. Pillar integrated throughout.	Structure present but blocks run over, or the pillar is mentioned once in passing.	No structure or pillar connection. Girls unclear what they are doing, or why.	
03 GIRL ENGAGEMENT	Most girls active, focused, curious, asking questions.	Engagement uneven. A cluster of girls is off-task for part of the session.	Low engagement, lots of off-task behaviour, coach struggling to hold attention.	
04 CLASSROOM ENVIRONMENT	Welcoming and safe. Norms visible or stated. Girls support each other.	Generally positive but norms inconsistently held. Some girls sit on the edges.	Feels unsafe or unwelcoming. Norms absent or unenforced.	
05 COACH-GIRL RELATIONSHIPS	Knows girls by name, names their strengths, responds to emotion with warmth.	Knows most names. Interactions friendly but rarely specific or personal.	Does not seem to know the girls. Interactions transactional or absent.

06 CURRICULUM FIDELITY	Lesson matches the week's practice plan. Pillar content addressed explicitly.	Right week, but blocks cut or reordered without a clear reason.	Lesson drifts far from the curriculum. Pillar content ignored.	
07 HEALING-CENTRED PRACTICE	Patient, no shame-based language, adapts to emotions, calm under pressure.	Mostly calm, but slips into sarcasm or public correction when pushed.	Shame-based language, escalates conflict, ignores distress.	
08 ADMINISTRATIVE COMPLIANCE	Attendance submitted every week. Assessment logs submitted. Surveys scanned and uploaded. Nothing outstanding.	Attendance mostly submitted but late. One log or scan still outstanding.	Attendance not submitted. Assessments or scanned surveys missing at season close.	
09 PHYSICAL SAFETY	Space appropriate for boxing, equipment good, girls supervised at all times.	Space workable with adjustments. One equipment or supervision gap noted.	Space presents risks. Equipment inadequate or unsafe.	
10 OVERALL PROGRAM ENERGY	Energising and fun. Girls leave positive. Coach brings genuine enthusiasm.	Steady and pleasant but flat. Girls neither energised nor reluctant.	Low-energy or obligatory. Girls disengaged or reluctant.
