SEASON

This sheet is your backup — attendance still goes into the app the same day. Tick a box for each session a girl attends, then read her running total to see what she has earned. Staff email you every week with who is eligible for what.

BENCHMARK WEEKS

Hand out at the week-4, week-8 and week-10 session.
One kit per girl — if she earned it in Season 1, she does not receive a second one in Season 2.

THE GLOVES

12 sessions across the fall and the spring and she takes her own gloves home to keep. Carry each girl's fall total forward onto her spring sheet.

NEVER LEVERAGE

Gear is earned, never taken away. Never announce who did not earn something — tell her the next mark privately and help her get there.
